# Georgia Hand and Upper Extremity Special Interest Group Summer Conference

April 28-29, 2017

## Georgia Coastal Center

305 Fahm Street  
Savannah, Georgia 31401

[ghuesig.com](http://ghuesig.com)

## We're hitting the road and heading back to Savannah!

### What is GHUESIG?

For nearly 25 years, Georgia Hand and Upper Extremity Special Interest Group (GHUESIG) has provided educational and networking opportunities for therapists and other providers to enhance their practice of rehabilitation of the hand, wrist, elbow and shoulder. We are comprised of over 150 occupational therapists, physical therapists, and occupational and physical therapy assistants with members all over the country.

### Why this course?

Clinical topics including myofascial/soft tissue mobilization techniques, stiff and loose wrists, exercise prescription, assessing the upper extremity, the thumb, tendon repairs, the shoulder, the damaged throwing elbow, splinting labs. We will also have four cadaver labs led by hand surgeons and sessions related to the administrative side of therapy. (PTAG approval pending)
