

# ALS Educational Symposium

*Living for today, learning for tomorrow.*

2019 ALS SYMPOSIUMS

The 2019 ALS Education Symposium: Living for today, learning for tomorrow!

**ATLANTA: JULY 13, 2019**

**MACON: AUGUST 30, 2019**

**SAVANNAH: OCTOBER 25, 2019**

Regarding Amyotrophic Lateral Sclerosis, The ALS Association of Georgia is the premier responder regarding awareness, education, resources and support for over 600 patients, caregivers and allied professionals in the state of Georgia. The 2019 Conference will focus on technology;

## **Topic: When the Body Says No; Technology Says Yes!**

The benefits of incorporating technology in the daily care and functioning needs of the ALS Community can directly impact one's quality of life. The conference agenda will highlight presentations from:

- Speech and Language Pathologist (AAC Certified)
- Occupational Therapist
- Augmentative and Alternative Communication Product Specialist/Vendors
- Technology and Smart Home Consultants
- State Disability Independence Advocates

\*\*\*CEU's awarded to allied professionals

Registration form included which can be mailed into the office or you can register online at <http://bit.ly/2019ALSAGASymposiums>

Thank you,

Juanita Pharr, LMSW  
Director of Care Services
