

## **Tri-State OT Workshop**

*May 22, June 26, July 24, 2021*

### **2021 Tri-State Collaborative Workshop ATTENDEE'S Frequently Asked Questions**

The Georgia Occupational Therapy Association, Kentucky Occupational Therapy Association, and the Wisconsin Occupational Therapy Association make up the Tri-State Collaborative Workshop series for 2021.

#### **What is the 2021 Tri-State Collaborative Workshop Series?**

The 2021 Tri-State Collaborative Workshop is an interstate collaborative effort to increase opportunities for practitioners to earn live continuing education hours, increase revenues for the each state association during the ongoing pandemic, and promote best practice among occupational therapists.

The 2021 Tri-State Collaborative Workshops are hosted on Saturdays through 2021. They consist of a live introduction by the host site, pre-recorded content, and a live question and answer session. The 2021 Tri-State Collaborative Workshop will not be recorded and will not have content provided at a later date for viewing. **These Workshops must be attended live.**

#### **When will the workshops take place?**

The 2021 Tri-State Collaborative Workshops will take place on the following dates. Each Workshop will be between 5-6 hours in duration with a start and end time at the discretion of the hosting state association. **Revenue from the workshop will go to the association hosting on the respective date.**

- Saturday May 22, 2021 for the Wisconsin Occupational Therapy Association
- Saturday June 26, 2021 for the Georgia Occupational Therapy Association
- Saturday July 24, 2021 for the Kentucky Occupational Therapy Association
